## Narrative

On October 16, 2012 at approximately 1547 hours I responded to 150 Gorman St. for a report of a white male urinating in the parking garage. The caller advised that the male subject was leaving the third floor of the parking garage in a white Cadillac. Ofc. Schreiber arrived on scene and observed the vehicle stopped at the exit gate to the garage. The driver was identified as Mr. Richard Vermillion. Upon my arrival I spoke with the complainant who stated that he observed a white male, later identified as Mr. Vermillion, on the third floor of the parking garage with his pants down to his ankles urinating off the side onto a mulched area on the ground. When the complainant asked Mr. Vermillion what he was doing, Mr. Vermillion stated that he was "following the call of the wild." When the complainant advised Mr. Vermillion that there were public restrooms downstairs Mr. Vermillion said "[REDACTED] you." The complainant then called APD while walking up to the third floor. He observed Mr. Vermillion driving away in a white Cadillac bearing Delaware registration #42447. The complainant then asked the parking attendant to keep the gate down until the police arrived. I asked the complainant to point out the subject that he saw urinating. Mr. Vermillion was identified. I asked again if the complainant was positive that Mr. Vermillion was the subject he saw urinating. He said "yes, and ill sign a statement."
